Booked by appointment

Aqua Conditioning

Whole pool reserved during these times. No lap swimming.

Cardio Splash (\$)

Space is limited. Reservations recommended.

CLASS DESCRIPTIONS

Baby + Me:

This level focuses on water comfort through assisted back floats, mouth closure practice, and supported splashing. (guardian in water required)

Yellow Sea Stars:

Swimmers build confidence through gradual face submersion, coordinated movements with instructor guidance, and assisted glides. (guardian in water required)

Orange Otters:

Students develop independence by performing controlled jumps, independent back floats, and proper "elbow-to-leg" climb-outs.

Blue Jellyfish:

This level emphasizes breathing techniques, including front-to-back rolling and elementary backstroke coordination.

Red Dolphins:

Swimmers focus on form refinement, mastering the survival float, independent deep-water dives, and proper stroke entries.

HSP Swim Academy:

Advanced swimmers refine stroke fluidity and speed while learning emergency skills like the sidestroke. Non-competitive swim team style.

Swim Lessons

Private swim sessions cater to all levels, from babies to triathlon trainers. Our experienced instructors offer personalized attention for every swimmer, focusing on foundational skills, water familiarity, and advanced techniques. Whether starting with your baby's first splash or refining strokes for a triathlon, our private lessons provide tailored guidance and celebrate every stage of the swimming journey.

Cardio Splash:

Join this program to move your body in a pain-free zone, allowing you to move more, exercise longer, and leave feeling better. This program is designed to challenge you, boost your metabolism, and help you achieve your personal strength and conditioning goals. You will receive personalized attention within a group of no more than 12 participants, ensuring you get the exercise cues, coaching, and motivation you need. Connect and work together with fellow participants, providing community support and accountability.

Aqua Conditioning:

This low-impact workout in the water combines cardio, strength, and flexibility exercises to improve overall fitness. You'll experience a sense of weightlessness and fluidity, leaving your muscles toned and your mind rejuvenated. Get ready to make a splash and leave feeling refreshed!

Aqua Zumba:

This dynamic water workout combines Latin rhythms with fun dance moves, creating a joyful and exhilarating experience. You'll splash, groove, and tone your muscles while enjoying the buoyancy of the water. Get ready to dance, sweat, and leave feeling happy, revitalized, and ready to make a splash in your day!
